

Who We Are:

Texas Life Connections' (TLC) mission is to connect the local church to a statewide, Christ-centered network of life-affirming ministries. These include:

- pregnancy resource centers
- post-abortion recovery groups
- maternity homes
- abstinence groups
- adoption centers
- foster care providers

TLC members are ministry partners linked by individually affirming a statement of faith and shared ministry goals.

Our Purpose:

Texas Life Connections exists to glorify the Lord Jesus Christ. Every TLC member is committed to evangelism while carrying out the life-affirming mission of their specific ministry. TLC is a ministry resource for Southern Baptist and evangelical churches, as well as other parachurch ministries across the state of Texas. TLC is also a resource for its members to connect the spiritually needy and lost to the ministry of a local church.

Our Vision:

The vision of TLC is to broaden the network to include other life-affirming parachurch ministries that meet the needs of families and individuals from conception to natural death.

The Primary Objectives of *Texas Life Connections*

- TLC ministry partners will faithfully present the gospel of Jesus Christ.
- We will see an end to abortion in our state.
- Churches can confidently connect with the life-affirming ministries network.

- TLC will apprise churches of the services and resources available through the TLC.

- TLC's life-affirming ministries will faithfully connect individuals with the local church.

- TLC will provide material to assist life-affirming ministry partners.

- TLC ministry partners will offer healing to those who have suffered the pain of abortion.
- Christ-centered foster care providers, maternity homes and adoptions will be more readily available.

- TLC will see more individuals embrace the abstinence/sexual purity message.

- TLC will grow to include life-affirming care and ministry for every season of life.
